

**DES MOINES  
JAYCEES' MASTER  
OF MADNESS AND  
MAYHEM**

Southridge Mall, 111  
E. Army Post Road.  
\$8. 7-midnight  
Friday-Saturday and  
Tuesday through  
Oct. 31.

It's fast-paced  
like the climax  
scenes of movies  
with teens  
running from  
a guy with a  
machete or with  
blades for fingers.  
Fright lurks  
around every  
corner, including  
goblins and  
horror scenes.

You always know  
it's coming, but  
you scream  
anyway. Dudes  
with chain saws  
are always  
creepy, and  
someone chasing  
you through a  
mirrored maze  
with a bloody  
knife never sits  
well, either.

Heavy guitar-  
driven music  
sets the  
backdrop for  
all kinds of  
creepy effects.  
Scene after  
scene of horror  
include an  
electrocution,  
human meat  
locker and lots  
of blood.

You're not  
inside for  
long, and  
emergency  
exits are  
plentiful.

(ON A SCALE OF 1 TO 5 SKULLS)

**WHITE WATER  
UNIVERSITY'S  
ULTIMATE  
HAUNTED HOUSE**

White Water  
University, 5401 E.  
University Ave. \$10.  
7-midnight Friday  
through Oct. 29.

One of the most  
time-consuming  
factories, you'll be  
inside way longer  
than you want  
to be. Expect  
everything from  
tight crawl spaces  
to pitch-black  
halls and, wow,  
what a heart-  
stopping finish.

Lots of ghouls  
jump at you with  
perfect timing.  
Something you  
may think is fake  
just might follow  
you after you've  
passed by.

Expect lots of  
mechanical  
effects,  
including  
a vertigo  
tunnel, lunging  
alligators and  
a disturbing  
scene of  
electrocution.

A little  
extreme for  
kids younger  
than 10.

**LINN'S SUPER  
MARKET/  
SOAPBOX DERBY  
ASSOCIATION  
HAUNTED HOUSE**

Linn's Super  
Market, 3805 Sixth  
Ave. \$7. 7-midnight  
tonight-Sunday and  
Oct. 25-31.

Merlin Linn  
has hosted a  
haunted house in  
the basement of  
his supermarket  
for more than 20  
years.

Crawl through a  
claustrophobia-  
inducing tunnel,  
and slide down  
into a dungeon-  
like space with  
mad butchers,  
freaks slipping out  
of straitjackets  
and more.

Darkness is  
Linn's best  
attribute. You  
see nothing  
until the spooks  
want you to.  
If that doesn't  
get you, the  
claustrophobia  
will.

If you can  
get your  
kid through  
the start,  
he'll make  
it through  
without too  
much trauma.  
(Adults must  
accompany  
kids under 13.)

**SLEEPY HOLLOW'S  
REDRUM MINE,  
TERROR TRAIL AND  
BEDLAM ASYLUM**

Sleepy Hollow  
Sports Park, 4050  
Dean Ave. \$17.95.  
7-midnight tonight-  
Sunday and Oct.  
26-29.

The park sports  
two haunted  
houses, a  
haunted trail  
and a haunted  
corn maze, all  
for one price. It  
also includes a  
hayrack ride and  
marshmallow  
roast.

Redrum Mine  
is full of ghouls  
and wretched  
scenes — watch  
your back. As  
if the Bedlam  
Asylum patients  
weren't creepy  
enough, it also  
has a sewer  
crawl with rats  
for extreme  
horror lovers.

The mine has  
lots of freaky  
scenes, and  
the spraying  
toilet is more  
hilarious than  
scary. Bedlam  
Asylum's  
padded walls  
give it a true  
psych-ward  
feel.

Sleepy  
Hollow offers  
a hayrack  
ride and  
marshmallow  
roast with  
scary stories.  
(Kids can do  
just this for \$7.)
